

**Legal Support  
for Your  
Business**

CORPORATE AND  
COMMERCIAL LAW IN  
BRITISH COLUMBIA

## **Empowering Your Business with Expert Legal Support**

From business formation to corporate transactions, trusted legal guidance is essential for your company's success.

Every business is unique, and navigating corporate and commercial law requires tailored legal solutions that align with your company's goals. Whether you're launching a startup, managing corporate agreements, or preparing for acquisitions, having an experienced legal team on your side ensures your business is structured for success.

## **Comprehensive Legal Services for British Columbia Businesses**

At Gitu Law, we offer a full range of corporate and commercial legal services designed to protect your business, streamline operations, and ensure compliance with British Columbia's laws.

### **1. Corporate Structure and Business Formation**

Choosing the right business structure is essential for long-term success. Whether you're starting a sole proprietorship, partnership, or corporation, we provide strategic legal guidance. Our services include:

- Structuring new businesses for optimal tax and liability protection.
- Restructuring existing businesses for growth and efficiency.
- Ensuring compliance with British Columbia corporate regulations.

### **2. Corporate Governance and Compliance**

Maintaining a well-organized and legally compliant business is crucial for avoiding disputes and penalties. We assist with:

- Maintaining corporate minute books.
- Acting as the registered office for corporations.
- Filing annual returns as required by legislation.
- Dissolving British Columbia companies when necessary.

### **3. Corporate Agreements**

Contracts and agreements form the foundation of any successful business. We draft, review, and negotiate key agreements, including:

- Unanimous Shareholder Agreements – Protecting shareholder rights and company operations.
- Partnership Agreements – Defining partner roles and responsibilities.
- Joint Venture Agreements – Structuring collaborations between businesses.
- Franchise Agreements – Ensuring fair and enforceable terms for franchisors and franchisees.
- Service Agreements – Protecting businesses in service-based industries.

#### **4. Corporate Financing and Investment**

Whether your business is securing funding or expanding, sound legal advice is essential. We assist with:

- Reviewing and drafting financing agreements.
- Asset purchase and sale agreements.
- Negotiating terms for investors and lenders.
